Be love. End poverty.

“We are wanted and wished for and waited for. God is waiting for us, is hoping for us, believes in us, and calls us to become everything we were created to be. We are waited for as the prodigal son in the parable is waited for by his father. We are accepted and received, as a mother takes her children into her arms and comforts them. God is our last hope because we are God’s first love”

**PEARL OF GREAT PRICE
Matt 13:45-46**

A large, lustrous white pearl is the central focus of the image, resting on a bed of fine, golden sand. The pearl is highly reflective, showing bright highlights and a soft glow. The sand is composed of small, light-colored grains, creating a textured background for the pearl.
